

Grape Marketplace – It’s Free

List Grapes For Sale, Grapes Wanted, Bulk Wine, and any general Classified ads.

Grape Marketplace Grower/Vintner Login Options:

To View and update your current information: Please enter your “**Username or email address**” and “**Password**” and click on the Log in button. Click the My account link on the right sidebar, then click edit if you would like to change your password. You may also choose view under User Profile and click edit to update any personal info.

If you previously had access to SCGGA purple book, please enter your email address that was associated with your account.

Request a new password: To request a new password, please click on Request new password and enter your email address for the account that you already had set up. An email will be sent to you including a link to Reset your Password. Once you login with the information that was provided by our site administrator, continue by Clicking on “my account” and choose “edit” to change your password.

Create new account: To create a new account, please click on Create new account choose a user name, provide an active email account, and enter information for your user profile. Once you have completed entering your information, the following message will be sent to your email account:

Your *User Profile* has been created. Thank you for applying for an account. Your account is currently pending approval by the site administrator. Your password and further instructions have been sent to your e-mail address.

Once your account is approved by an administrator you will have access to the following menu items when logged in:

My Account
Logout
Grower Directory
Useful Links
Grower Resources

My Marketplace Listings
New Classified Ad
New Grapes For Sale Listing
New Grapes Wanted Listing
New Bulk Wine Listing

If you have problems logging in please contact Ginger Baker at (707) 522-5864, info@sonomawinegrape.org for assistance.

We welcome any feedback regarding your experience. **Thank you in advance for your support!**
